PortalConnect is an online service for our patients from our electronic medical records company called **Hello Health**. You will begin a 30-day, free-trial to the service when you sign in today in the office. Activation instructions will be emailed to the address that you entered when you set up the account.

When you create your account, you are subscribed to the **Opt-Out** membership. If you wish to cancel the service, please log in to your account, click your name in the top-right, go to memberships and cancel. Or send an email to info@portalconnect.net stating that you wish to opt-out, and you will not be charged. **If you do not opt-out of the service, you will be automatically charged at the end of the 30-day trial for an annual fee of \$69.00**

With the paid service, you will have access to:

- HIPAA-secure messaging with the office
- Online appointment scheduling
- Prescription renewal requests
- Lab and visit results shared by Dr. Li's office
- Exports such as your immunization record
